We Introduce to New York
 "THE PRINCE"
 A New Mallory SOFT HAT

—named after H. R. H. the Prince of Wales, considered an
 arbiter of men's fashions because of his individuality in dress

AGAIN Mallory scores in unmistakable manner, topping the Fall season with a soft hat worthy of the name it bears, and well worthy of the reception it has received from the Prince of American dressers, the New York man. Like a flash "The Prince" was

crowned with success, its versatility making it a hat for a dozen tastes and fancies. Folded straight, opened in triangular fashion, medium cross slit, or in any manner you might care to shape it, "The Prince" will bring distinction to any Fall suit with which it is worn.

Only from SAKS & COMPANY
 — Mallory Headquarters in
 New York — may this NEW
 MALLORY HAT be had

Made in characteristic Mallory Fashion, of the very best materials employed in the production of quality headwear, "The Prince" is America's finest hat for Fall, and as such is introduced to New York by Saks & Company.
